First End Style:

Square

Pinlength:

4.500 inches

Pindiameter:

Between 0.1790 inches and 0.1850 inches

Second End Relationship With First End:

Identical

Material:

Steel comp 304

Material Specification:

Qq-s-763 federal specification single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
