Inside Diameter:

Between 0.625 inches and 0.630 inches

Pinlength:

Between 1.145 inches and 1.150 inches

Pindiameter:

Between 1.2000 inches and 1.2040 inches

Second End Relationship With First End:

Identical

Material:

Steel comp 440c

Material Specification:

Qq-s-763, cond cg federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
