First End Style:

Square

Pinlength:

0.219 inches

Pindiameter:

Between 0.1565 inches and 0.1585 inches

Second End Relationship With First End:

Identical

Material:

Plastic polyhexamethylene adipamide

Material Specification:

L-p-410 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
