First End Style:

Square

Pinlength:

1.093 inches

Pindiameter:

Between 0.5000 inches and 0.5020 inches

Second End Relationship With First End:

Identical

Material:

Plastic polyamide

Material Specification:

L-p-410 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0

Mil-std (military Standard):

spec.
