First End Style:

Square

Pinlength:

2.250 inches

Pindiameter:

Between 0.6255 inches and 0.6257 inches

Second End Relationship With First End:

Identical

Material:

Nickel alloy 400

Material Specification:

Qq-n-281 cl b federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
