Overall Length:

1.190 inches

Overall Height:

0.250 inches

Overall Width:

0.250 inches

Starting Edge Shape:

Round

Material:

Steel comp 1040

Material Specification:

Astm a-108 assn standard single material response

Surface Treatment:

Chromate

Surface Treatment Specification:

Qq-p-416, type 2 federal specification single treatment response

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
