**First End Style:**

Square

**Hole Arrangement Style:**

Drilled through center

**First Hole Diameter:**

Between 0.035 inches and 0.045 inches

**Pinlength:**

Between 0.210 inches and 0.220 inches

**Pindiameter:**

Between 0.1557 inches and 0.1560 inches

**Second End Relationship With First End:**

Identical

**Surface Finish:**

8.0 microinches outside diameter

**Special Features:**

Caseharden

**Material:**

Steel comp 410

**Material Specification:**

Ams 5613 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A212a0
