Overall Length:

0.312 inches

Diameter:

0.062 inches

Material Thickness:

0.012 inches

Shear Strength:

425 double pound

Material:

Steel comp 420

Material Specification:

Aisi assn standard single material response

Surface Treatment:

Passivate

Style Designator:

Slotted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
