Overall Length:

2.375 inches

Overall Height:

0.250 inches

Overall Width:

0.250 inches

Material:

Nickel alloy 400

Material Specification:

Astm b164 cl a assn standard single material response or j032a fscm 63857 mfr ref single material response

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
