First End Style:

Square

Pinlength:

1.620 inches

Pindiameter:

Between 0.1360 inches and 0.1420 inches

Second End Relationship With First End:

Identical

Material:

Steel comp w110

Material Specification:

Sae j438 grade 4 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
