First End Style:

Square

Pinlength:

3.380 inches

Pindiameter:

Between 0.0600 inches and 0.0640 inches

Second End Relationship With First End:

Identical

Material:

Steel comp 302 or steel comp 304

Material Specification:

Astma580 cond b assn standard single material response

Surface Treatment:

Passivate

Surface Treatment Specification:

Sd 1069 cagec 35351 mfr ref single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
