Pinlength:

2.380 inches

Pindiameter:

0.2500 inches

End Application:

4940-01-049-0828

Second End Relationship With First End:

Not identical

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-std-171 military standard single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0

Mil-std (military Standard):

Mil-std-171 spec.
