First End Style:

Square

Pinlength:

1.000 inches

Pindiameter:

Between 0.1232 inches and 0.1237 inches

Second End Relationship With First End:

Identical

Material:

Steel comp 416

Material Specification:

Aisi-416 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
