First End Style:

Square

Pinlength:

0.335 inches

Pindiameter:

Between 0.1860 inches and 0.1870 inches

Second End Relationship With First End:

Identical

Material:

Tungsten alloy

Material Specification:

Mil-t-21014, type 2, cl 1 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0

Mil-std (military Standard):

Mil-t-21014 spec.
