First End Style:

Square

Overall Length:

0.637 inches

Diameter:

0.201 inches

Effective Length:

0.178 inches

Undercut Diameter:

0.181 inches

Undercut Width:

0.281 inches

Second End Relationship With First End:

Identical

First End Location:

Both ends

Material:

Steel comp 1013

Material Specification:

Fed-std-66 federal standard single material response

Style Designator:

Groove

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
