First End Style:

Square

Pinlength:

1.500 inches

Pindiameter:

Between 0.3748 inches and 0.3750 inches

Second End Relationship With First End:

Identical

Material:

Steel comp 303

Material Specification:

Atm a582 assn standard single material response

Surface Treatment:

Ceramic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
