Pinlength:

1.417 inches

Pindiameter:

0.1970 inches

End Application:

Aircraft cameras

Special Features:

Dowel pin

Material:

Steel comp 303

Material Specification:

Astma581; type 303, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
