First End Style:

Square

Pinlength:

3.0600 inches

Pindiameter:

Between 0.2770 inches and 0.2790 inches

Second End Relationship With First End:

Identical

Material:

Steel comp 302

Material Specification:

Ams 5637 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
