Diameter:

Between 0.435 inches and 0.436 inches

Head Width:

Between 0.550 inches and 0.570 inches

Special Features:

1.590 in min 1.610 in max

Height:

Between 0.080 inches and 0.090 inches

Material:

Iron alloy 660

Material Specification:

Ams 5732 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
