Diameter:

2.500 inches

Under Head Length:

15.380 inches

Pin Head Diameter:

0.3100 inches

Welding Projection Location And Quantity:

1 head top

Height:

0.5000 inches

Material:

Steel

Material Specification:

Astma36 assn standard single material response

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
