First End Style:

Square

Pinlength:

0.312 inches

Pindiameter:

Between 0.0468 inches and 0.0470 inches

Second End Relationship With First End:

Identical

Material:

Steel comp 302

Material Specification:

Qq-w-423 federal specification single material response

Specification Data:

80063-sm-b-697560 government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
