**End Application:**

14rf propeller; canadair cl-215 aircraft

**Product Name:**

Pin, pivot

**Special Features:**

Critical part; complex machined radii

**Material:**

Steel

**Material Specification:**

Ams6260 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A212a0
