First End Style:

Square

Pinlength:

0.440 inches

Pindiameter:

Between 0.3751 inches and 0.3753 inches

Second End Relationship With First End:

Identical

Material:

Steel comp 1010 or steel comp 1012 or steel comp 1013 or steel comp 1016 or steel comp 1018 or steel comp 1019 or steel comp 1020
or steel comp 1021 or steel comp 1022

Material Specification:

Qq-s-633 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
