First End Style:

Square

Pinlength:

0.245 inches

Pindiameter:

Between 0.0630 inches and 0.0638 inches

Second End Relationship With First End:

Identical

Material:

Aluminum alloy 6061

Material Specification:

Qq--225/8 t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
