Pindiameter:

0.0800 inches

End Application:

C130-j hercules

Product Name:

Pin, hinge

Special Features:

Used on panel instl - ail sta 1253.22, aileron access

Material:

Steel comp 302

Material Specification:

Mil-w-6713 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0

Mil-std (military Standard):

Mil-w-6713 spec.
