Overall Length:

0.875 inches

Overall Height:

0.187 inches

Overall Width:

0.187 inches

End Application:

Aircraft, engine f-16

Product Name:

Keystock

Special Features:

Test station, pneumatic system component

Material:

Steel comp 1018

Material Specification:

Aisi1018 assn standard single material response

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
