**Overall Length:**

0.875 inches

**Overall Height:**

0.187 inches

**Overall Width:**

0.187 inches

**End Application:**

Aircraft, engine f-16

**Product Name:**

Keystock

**Special Features:**

Test station, pneumatic system component

**Material:**

Steel comp 1018

**Material Specification:**

Aisi1018 assn standard single material response

**Style Designator:**

Plain

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A212a0
