Head Style:

Flat fillister

Diameter:

0.375 inches

Under Head Length:

1.375 inches

End Application:

Radar set; fire finder radar

Product Name:

Safety snap ring

Special Features:

Retainer is temperedm-b spring wire, rounded retainer without tab lock

Material:

Steel

Surface Treatment:

Zinc

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
