**Head Style:**

Flat fillister

**Diameter:**

0.375 inches

**Under Head Length:**

1.375 inches

**End Application:**

Radar set; fire finder radar

**Product Name:**

Safety snap ring

**Special Features:**

Retainer is temperedm-b spring wire, rounded retainer without tab lock

**Material:**

Steel

**Surface Treatment:**

Zinc

**Style Designator:**

Straight

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A212a0
