Pinlength:

0.063 inches

Pindiameter:

0.1000 inches

End Application:

Chinook helicopter

Product Name:

Pellet for aft landing gear powersteering

Special Features:

Nha pn 14c2458

Material:

Plastic polytetrafluoroethylene

Material Specification:

Ams3651 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
