Overall Width:

0.250 inches

End Application:

Marine hardware and hull doors

Product Name:

Key, square, sunken

Special Features:

Bar, square, cold rolled, 1/4" x 12' min, 0.21 lb per foot

Material:

Steel comp 1018

Material Specification:

Astm-a-108 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
