Third Step Diameter:

1.625 inches

End Application:

Tarawa class lha

Product Name:

Adjusting ring pin

Special Features:

R10b angle relief valve per mil-v-22549

Material:

Copper alloy

Material Specification:

Astmb21 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
