Overall Length:

2.000 inches

Overall Height:

0.500 inches

Overall Width:

0.500 inches

End Application:

Pump, custom 35 electric boa (2d & 3rd pass) ; la class ssn

Product Name:

Shaft key

Material:

Steel comp 1018

Material Specification:

Astm a108 assn standard single material response

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
