**Overall Length:**

1.500 inches

**Overall Height:**

0.188 inches

**Overall Width:**

0.188 inches

**End Application:**

Duplex cyclic brine drive assembly; seawolf class ssn

**Product Name:**

Motor coupling key

**Material:**

Steel comp 1018

**Material Specification:**

Aisi-1018 assn standard single material response

**Style Designator:**

Plain

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A212a0
