Diameter:

3.2 millimeters

Underloop Length:

20.0 millimeters

End Application:

Interim armored vehicle (iav), contractor logistics support (cls)

Point Type:

Extended prong square cut or standard

Product Name:

Split pin

Material:

Steel comp 316

Style Designator:

Standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
