**First End Style:**

Square

**Hole Arrangement Style:**

One end drilled

**Pinlength:**

0.500 inches

**Pindiameter:**

0.0937 inches

**End Application:**

Analyzer cams

**Second End Relationship With First End:**

Identical

**Product Name:**

Pin, dowell

**Material:**

Nickel alloy

**Material Specification:**

Qq-n-281 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A212a0
