First End Style:

Square

Hole Arrangement Style:

One end drilled

Pinlength:

0.500 inches

Pindiameter:

0.0937 inches

End Application:

Analyzer cams

Second End Relationship With First End:

Identical

Product Name:

Pin, dowell

Material:

Nickel alloy

Material Specification:

Qq-n-281 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
