**End Application:**

Multi-turn rog (remote operating gear) kit.

**Product Name:**

Key (shear)

**Special Features:**

25 x .35 length is .265

**Material:**

Copper alloy 360

**Material Specification:**

Ams 4610 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A212a0
