Overall Length:

1.750 inches

Overall Width:

Between 0.245 inches and 0.250 inches

End Application:

2320-01-530-3843

Product Name:

Key, square

Material:

Steel comp 1018

Material Specification:

Astm a578, grade 1018 x .250 square assn standard single material response

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
