End Application:

Hydraulic turbo charger htci-150 model htci-150 50k swro, lhd-8

Product Name:

Rotor key 3/16 "

Special Features:

Item made from super austenitic steel al6xn

Material:

Stainless steel

Material Specification:

Uns n08367 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
