End Application:

NSN:-10-259-9411

Product Name:

Clevis pins and cotter (inch)

Special Features:

Extended prong; material carbon steel sae hs1086/astm ds-56 uns g10050; diameter 0.188 and length 2.500

Material:

Steel

Surface Treatment:

Electrodeposited coatings of zinc on iron and steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
