Overall Length:

0.188 inches

Diameter:

0.062 inches

End Application:

End item nsn: 1025-99-411-1447; howitzer, medium, towed; 155mm

Material:

Steel comp 1095

Material Specification:

Hs1086 assn standard single material response

Surface Treatment:

Zinc

Surface Treatment Specification:

B633, type 2, sc 4 assn standard single treatment response

Style Designator:

Slotted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
