**Pindiameter:**

38.10 millimeters

**End Application:**

2420-01-532-3399 tractor, wheeled, industrial

**Product Name:**

Pin-flipad mtg

**Material:**

Steel comp 1045

**Material Specification:**

Ms-382 1045 opt 11 military standard all material responses

**Surface Treatment:**

Phosphate manganese

**Surface Treatment Specification:**

Ms-90-1 coarse 0.025mm average thik on all surfaces military specification all treatment responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A212a0

**Mil-std (military Standard):**

spec.
