Pindiameter:

38.10 millimeters

End Application:

2420-01-532-3399 tractor, wheeled, industrial

Product Name:

Pin-flipad mtg

Material:

Steel comp 1045

Material Specification:

Ms-382 1045 opt 11 military standard all material responses

Surface Treatment:

Phosphate manganese

Surface Treatment Specification:

Ms-90-1 coarse 0.025mm average thik on all surfaces military specification all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0

Mil-std (military Standard):

spec.
