Second End Relationship With First End:

Identical

Product Name:

Pin, rod retaining

Material:

Steel comp 304

Material Specification:

Qq-s-763 federal specification single material response

Surface Treatment Specification:

Mil-f-14072. E300 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0

Mil-std (military Standard):

Mil-f-14072 spec.
