Overall Length:

0.750 inches

Overall Height:

0.187 inches

Overall Width:

0.187 inches

End Application:

Submarine class

Product Name:

Key, machine, square

Special Features:

Nha: Icl pumps

Material:

Stainless steel

Surface Treatment:

Passivate

Surface Treatment Specification:

Astm a967 federal specification single treatment response

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
