**First End Style:**

Round

**Second End Style:**

Chamfered w/thru hole

**Hole Arrangement Style:**

Drilled shank threaded pin

**First Hole Diameter:**

0.125 inches

**Distance From Centerline Of Hole To End Of Pin:**

0.250 inches

**Pinlength:**

1.750 inches

**Pindiameter:**

0.2500 inches

**Thready Qty Per Inch (tpi):**

20

**Second End Relationship With First End:**

Not identical

**First End Location:**

Radius end

**Pin Grip Length:**

1.437 inches

**Product Name:**

Clamp rest

**Special Features:**

Stainless steel material 300 series

**Material:**

Steel

**Thread Series Designator:**

Unf

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A212a0
