Overall Length:

0.750 inches

Overall Height:

0.197 inches

Overall Width:

0.197 inches

End Application:

Submarine class

Product Name:

Key, machine

Special Features:

Nha: pump motor circulating unit, opstr com

Material:

Steel comp 316l

Surface Treatment:

Passivate

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
