Overall Length:

1.125 inches

Diameter:

0.156 inches

End Application:

1230-01-560-1027 fire control system, mortar

Product Name:

Pins, spring slotted type

Material:

Stainless steel

Surface Treatment:

Passivate

Surface Treatment Specification:

Astm a967. Citric 1 assn standard single treatment response

Style Designator:

Slotted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
