Diameter:

4.7 millimeters

Under Head Length:

40.0 millimeters

End Application:

2355-01-561-2717

Product Name:

Pin, straight, locking

Material:

Steel

Surface Treatment:

Zinc

Surface Treatment Specification:

Astm b633 assn standard single treatment response

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
